EXPLANATORY STATEMENT

1. GENERAL INFORMATION

This Explanatory Statement has been prepared for the Shareholders of the Company in connection with the General Meeting of the Company to be held on Friday 23 January 2009.

The purpose of this Explanatory Statement is to provide Shareholders with information that the Board believes to be material to shareholders in deciding whether or not to approve the resolutions detailed in the Notice.

This Explanatory Statement is an important document and should be read carefully in full by all Shareholders. If you have any questions regarding the matters set out in this Explanatory Statement or the preceding Notice, please contact the Company, your stockbroker or other professional adviser.

2. RESOLUTION 1 - RATIFICATION OF PREVIOUS PLACEMENT

On 11 July 2008, the Company announced the placement of 50,000,000 Shares ("2008 Placement Shares") at an issue price of \$0.08 per share ("2008 Placement"). The 2008 Placement Shares were placed predominantly to clients of Hartleys Limited raising \$4,000,000 before costs.

ASX Listing Rule 7.1 provides, in summary, that a listed company may not issue equity securities in any 12 month period which, in total, would exceed 15% of the number of issued securities of the company at the beginning of the 12 month period, except with the prior approval of shareholders. Under ASX Listing Rule 7.1, the prior approval of Shareholders was not required to issue the 2008 Placement Shares because those securities, when aggregated with securities issued by the Company during the previous 12 months (other than securities issued with Shareholder approval), did not exceed 15% of the number of securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies a previous issue of securities (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with Shareholder approval for the purpose of ASX Listing Rule 7.1.

Ratification is now sought for the issue of the 2008 Placement Shares, pursuant to ASX Listing Rule 7.4 in order to reinstate the Company's capacity to issue up to 15% of its issued capital to enable the Company to consider additional funding initiatives over the next 12 months consistent with the provisions of ASX Listing Rule 7.1 and the Corporations Act.

The Directors recommend the ratification of the issue of the securities and recommend that Shareholders vote in favour of Resolution 1.

ASX Listing Rule 7.5 sets out a number of matters which must be included in a notice of meeting seeking an approval under ASX Listing Rule 7.4. For the purposes of ASX Listing Rule 7.5, the following information is provided in relation to the 2008 Placement and this Resolution 1:

- (a) 50,000,000 Shares were issued and allotted.
- (b) The Shares were issued at an issue price of \$0.08 per Share.
- (c) The Shares rank equally with existing Shares on issue.
- (d) The Shares were issued predominantly to a number of clients of Hartleys Limited who subscribed under the 2008 Placement.
- (e) The funds raised under the 2008 Placement were used for exploration drilling in the USA, continued exploration offshore Senegal, testing of the Stokes Bay-1 well, progression of development planning in the Beibu Gulf, offshore China and working capital.
- (f) A voting exclusion statement is included in the Notice.

3. RESOLUTION 2 - APPROVAL OF ISSUE OF CONVERTIBLE NOTES

3.1 Background

The Company seeks to issue up to 7,777,778 unsecured convertible notes ("Convertible Notes") at a price of \$0.45 per Convertible Note to raise up to \$3,500,000 before costs ("Convertible Note Offer").

The purpose of the Convertible Note Offer is to raise additional working capital and contribute towards the costs of progressing the development and exploration of the Company's oil and gas projects in North America and the marketing of a farm-out for the Company's Senegal Project. The Convertible Note Offer will be conducted in two parts.

Under the first part up to 7,773,278 Convertible Notes will be placed to clients of Hartleys Limited to raise up to \$3,497,975. The second part will be conducted pursuant to a prospectus which the Company expects to lodge with ASIC within 7 days of the Meeting. The main purpose of conducting the second part and issuing the prospectus is to allow the Convertible Notes to be admitted to quotation on ASX. Under the second part, the Company will raise a nominal amount of \$2,025 by the offer of up to 4,500 Convertible Notes.

The Company intends to issue all of the Convertible Notes on or about 6 February 2009. Application for quotation of the Convertible Notes on ASX will be made by the Company in accordance with the Corporations Act and the ASX Listing Rules.

3.2 Terms of the Convertible Notes

Each Convertible Note is convertible by the Noteholder into 10 Shares on or before their maturity date of 31 January 2012. All Convertible Notes not converted prior to the maturity date will be redeemed and the face value of the Convertible Notes (\$0.45) will be repaid to the Noteholder by the Company. Each Convertible Note will carry an annual coupon rate of 15 percent payable by the Company quarterly in arrears.

If the Company issues all 7,777,778 Convertible Notes the subject of this resolution 2, and in the event that all Convertible Notes are converted prior to the maturity date, the Company will be required to issue 77,777,780 Shares to Noteholders.

A summary of the material terms and conditions of the Convertible Notes is included in Schedule 1.

3.3 Shareholder approval

ASX Listing Rule 7.1 provides, in summary, that a listed company may not issue equity securities in any 12 month period which, in total, would exceed 15% of the number of issued securities of the company at the beginning of the 12 month period, except with the prior approval of shareholders.

The purpose of seeking shareholder approval for the Convertible Note Offer is to retain the maximum limit under the ASX Listing Rules of the number of equity securities that the Company may issue in any 12 month period without Shareholder approval.

ASX Listing Rule 7.3 sets out a number of matters which must be included in a notice of meeting seeking an approval under ASX Listing Rule 7.1. For the purposes of ASX Listing Rule 7.3, the following information is provided in relation to the Convertible Note Offer and this resolution 2:

- (a) The maximum number of Convertible Notes to be issued by the Company will be 7,777,778 and the maximum number of Shares that may be issued on conversion of the Convertible Notes is 77,777,780.
- (b) The Company intends to issue the Convertible Notes on or about 6 February 2009 or on such other date which is no later than three months after the Meeting.
- (c) The Convertible Notes will be issued at \$0.45 per Convertible Note.

- (d) The Convertible Notes will be issued predominantly to clients of Hartleys Limited and any other investors who subscribe under the Convertible Note Offer. No Directors or related parties (as defined in section 228 of the Corporations Act) will participate in the Convertible Note Offer.
- (e) The terms of the Convertible Notes are summarised in Schedule 1.
- (f) The funds raised under the Convertible Note Offer will be used in the manner set out in section 3.1.
- (g) A voting exclusion statement is included in the Notice.

4. **RESOLUTION 3 – APPROVAL OF PROPOSED SHARE ISSUE**

The Company proposes to raise up to \$750,100 before costs through a placement to sophisticated and institutional investors, under which the Company will offer 28,850,000 Shares at \$0.026 per Share ("2009 Placement").

The purpose of the 2009 Placement is to raise additional working capital and contribute toward the costs of progressing the development and exploration of the Company's oil and gas projects in North America and marketing of a farm-out for the Company's Senegal Project. The securities will be placed to clients of Hartleys Limited.

ASX Listing Rule 7.1 provides, in summary, that a listed company may not issue equity securities in any 12 month period which, in total, would exceed 15% of the number of issued securities of the company at the beginning of the 12 month period, except with the prior approval of shareholders.

The effect of passing Resolution 3 will be to allow the Directors to issue up to 28,850,000 Shares during the three month period after the Meeting (or a longer period, if allowed by ASX), without using up the Company's 15% placement capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.3 sets out a number of matters which must be included in a notice of meeting seeking an approval under ASX Listing Rule 7.1. For the purposes of ASX Listing Rule 7.3, the following information is provided in relation to the 2009 Placement and this resolution 3:

- (a) The maximum number of Shares to be issued by the Company will be 28,850,000.
- (b) The Company intends to issue and allot the Shares immediately after the Meeting and in any event no later than three months after the Meeting.
- (c) The Shares will be issued at \$0.026 per Share.
- (d) The Shares will be issued predominantly to a number of clients of Hartleys Limited. No Directors or related parties (as defined in section 228 of the Corporations Act) will participate in the 2009 Placement.
- (e) The Shares rank equally with existing Shares on issue.
- (f) The funds raised will be utilised predominantly in progressing the development and exploration of the Company's oil and gas projects in North America, marketing of a farm-out for the Company's Senegal Project and for working capital purposes.
- (g) A voting exclusion statement is included in the Notice.
